ABOUT THE JOURNAL

The Nigerian Journal of Social Studies (ISSN 0795-7262) is published biannually by the Social Studies Educationists Association of Nigeria.

NIGERIAN JOURNAL OF SOCIAL STUDIES

Objective of Journal

The objective of the Journal is to provide a medium for the dissemination of educational research and exchange of experience among academics, scholars, teachers and others, which explore new directions and approaches in the teaching of Social Studies.

Notes to Contributors

1. The Nigerian Journal of Social Studies will consider for publication articles that deal with:
 - (a) The nature of Social Studies
 - (b) Curriculum organization in Social Studies
 - (c) Methods and techniques for teaching and learning Social Studies
 - (d) Analysis of physical and social issues that can be used by classroom teachers of Social Studies
 - (e) Research reports and studies in Social Studies
 - (f) Innovative programmes and practices in Social Studies
 - (g) Evaluation in Social Studies
 - (h) Special interest areas, such as citizenship, global and international education, cultural awareness, human rights education, environmental education, peace/conflict resolution education, drug education, HIV/AIDS education, population education, sustainable development education, civic education, COVID-19 education etc.
2. All articles are received on the understanding that they have not been sent elsewhere for publication consideration or have already been printed elsewhere.
3. Articles are to be typed on A4 size double spaced on one side of the paper and should contain wide margins. Three (3)

copies of each article must be submitted. The length of an article should be a maximum of 3000 words or 12 to 14 pages. Authors are not to include electronic copy at this stage.

4. Layout and Headings **Title:** This must be short and concise (no longer than 10 words), followed by the author's names, institutional affiliation and address (including e-mail address), **Abstract:** this should consist of a maximum of 200 words and should capture the important features of the paper. **Headings and sub-headings:** Please do not use more than 3 levels of heading: HEADING LEVEL 1: CAPITAL (12 POINT FONT) Heading level 2: lower case (12point font): Heading level 3: italics (12 point font). Quotations of more than three lines are to be indented and typed single-spaced.
5. References: literature cited must be arranged alphabetically. Reference in the context are given as Ogundare (1996) or (Ogundare, 1996) depending on context. Where two authors are involved, both names should be cited (Ogundare & Ogunyemi, 2006). Where more than two authors are involved, the citation should be written as (Ogundare, et al., 2002). When citing several papers by the same author published in the same year, a,b,c etc, should be placed after the year of publication. Each citation in the reference list should include the names of the authors, the year of publication, publisher, volume number, issue number in brackets should not appear in the list of reference and vice versa. Website reference in the text should contain author's full name, date, title of article, website number and date of access. Unpublished data and verbal communications should not appear in the list of references, but should appear in brackets in text, e.g. (Omiyefa, personal communication, 20/5/2006).
6. Photographs and images are to be submitted in Jpg format. For tables, heading are inserted above. For figures, headings are inserted below the figure numbering: In the text all number below 10 should be written in full words and numbers greater than nine in digits. Paragraphs in the text should not be numbered.

7. A short biographical note (30 words) on the author should be submitted along with the manuscript.
